Welcome to

B & J Superspeciality Hospital

Discover B & J Superspeciality Hospital, where your heart's health is our top priority. Founded by esteemed interventional cardiologists Dr. Pritish Bagul and Dr. Vinay Jaiswal, our dedicated team is committed to delivering premier cardiovascular care tailored to your needs. At B & J, we understand the importance of your heart. That's why we offer personalized treatment plans in a compassionate and supportive environment. Choose us for the exceptional care you deserve

24/7 Cardiac Emergency

Never face a cardiac emergency alone. Our highly skilled team is available 24/7 to provide prompt and expert care, giving you and your loved one's peace of mind.

Intensive Cardiac Care Unit (ICCU)

Our 10-bed ICU is equipped with a central monitoring system for comprehensive and continuous patient care.

State-of-the-Art Catheterization Laboratory

Our advanced Cath Lab utilises cutting-edge technology for accurate diagnosis and effective treatment for even the most challenging cardiac cases.

Diagnostic Excellence

We offer a full spectrum of diagnostic services, including **2D Echo, Colour Doppler** (for both adults and paediatrics), and **Treadmill Test (TMT) aka Stress Test**, ensuring accurate assessments for optimal treatment planning.
